Upcoming UBC Dates & Deadlines

AMS Free Flu Vaccines
Oct. 26th - Nov 10th

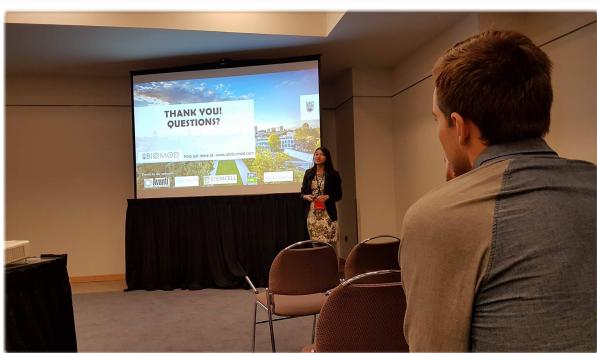

Ted Baynes Award Scholarship Application Closes
Friday, 28 October 2016

November Graduation Application Deadline
Friday, 28 October 2016

Our very own council secretary Ileana Co giving her presentation!

The 66th annual Canadian Chemical Engineering Conference is a chance for students, faculty and industry professionals from across the country and in some cases, world to gather together and share experiences. Students gave presentations about their research including our own, Ileana Co; she presented the research done this year by the UBC BIOMOD engineering design team. Technical sessions allowed those in attendance to learn more about the current research in a variety of areas related to the industry, including but not limited to: biomedical imaging, molecular therapeutics, biomass refinery, and trends in wastewater mitigation.

Tyra Phillips (3rd year co-rep), Marc Apduhan (Industry Co-Rep) and JP Faucher (Co-Pres) were also in attendance at the conference!

OCTOBER 24TH-28TH WEEK IN REVIEW...
